## PREPAREDNESS

Since the confirmation of the first case on 27<sup>th</sup> February 2020, the NCDC has released advisories and statements to help Nigerians and affected groups in particular respond to the pandemic

- Information on diagnostics of the COVID-19 virus can be found in our [detailed FAQ document](#)
- To increase our testing capacity, NCDC has issued guidelines for the [integration of private labs](#).
- Guidelines for [businesses and employers](#) have been updated
- NCDC has updated its [case definition](#) , [community case definition](#) and [case management guide](#).
- Ahead of the Ramadan fasting period, an [Advisory for Ramadan](#) has been issued.
- NCDC releases periodic [public health advisories](#) to Nigerians on the COVID-19 disease.
- To adhere to post-lockdown measures, NCDC has released an [advisory on the use of face masks](#), as well as information on the [Use of Cloth face masks](#) and [how to make your cloth face masks](#).
- NCDC has released guidelines for the [management of pregnant women and nursing mothers](#) during the pandemic.
- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the [management of dead bodies](#).
- NCDC has released a [Self-Isolation and Quarantine Guide](#) and [Mandatory institutional guideline for returnees to Nigeria](#) to help those who are exposed to COVID-19 confirmed cases or returnees to Nigeria.
- For health centres managing cases, the following documents have been released- a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

## RESPONSE

On 28<sup>th</sup> February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Commenced development of sector specific advisories on re-opening**
- **Conducted high level technical session on strategic outputs of Mid-Action Review (MAR) and identified priority activities for the next phase of the response**
- **Reviewed Epi-data at the national and subnational for targeted interventions**
- **Engaged the National Council of Women Society (NCWS) on the use of their expansive network for community sensitisation**
- **Developed strategic plan for grass root mobilisation**
- **Trained 101 health care workers on Infection Prevention and Control (IPC) in Owerri, Imo state**
- **Trained 25 health care workers in the military on IPC in Enugu state**
- Developed and circulated the National COVID-19 mortality review forms to isolation centres
- Completed the first phase of engagement with traditional rulers and discussed their roles in curtailing the spread of COVID-19 in their domains
- Trained surveillance and laboratory personnel from 39 Local Government Areas (LGAs) in Kano state on safe sample collection, packaging, handling and transportation
- Completed the first phase of engagement with traditional rulers and discussed their roles in curtailing the spread of COVID-19 in their domains
- Completed commodities distribution to Oyo State Ministry of Health, Points of Entries (POEs) and Lagos University Teaching Hospital (LUTH)
- Developed new Key Performance Indicators (KPIs) to track surveillance strategic directions and programmes
- All education materials can be found via [www.covid19.ncdc.gov.ng](http://www.covid19.ncdc.gov.ng)
