## PREPAREDNESS

Since the confirmation of the first case on 27<sup>th</sup> February, the NCDC has released advisories and statements to help Nigerians and affected groups in particular respond to the pandemic

- Ahead of the Ramadan fasting period, an [Advisory for Ramadan](#) has been issued.
- NCDC releases periodic [public health advisories](#) to Nigerians on the COVID-19 disease, and recently released an [advisory on the use of face masks](#).
- NCDC has released guidelines for the [management of pregnant women and nursing mothers](#) during the pandemic, as well [PPE recommendations during health care delivery](#).
- This is also an updated [case definition](#) for the COVID-19 Coronavirus.
- Guidelines for [businesses](#) and [social distancing](#) have been released.
- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the [management of dead bodies](#).
- NCDC has released a [Self-Isolation and Quarantine Guide](#) to help those who are exposed to COVID-19 confirmed cases or returnees to Nigeria.
- For health centres managing cases, the following documents have been released- an [Infection Prevention and Control guideline](#) and a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

## RESPONSE

On February 28<sup>th</sup> 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria – to be led by the NCDC and to coordinate with the State Public Health EOCs (PHEOC) on a nationwide response

- **Deployment of high-level technical and Rapid response surge teams to Kano State to intensify support of the coordination in the intervention**
- **Laboratory testing capacity has now been increased to 2500 per day**
- **Resumed testing at Aminu Kano Teaching Hospital Laboratory**
- **New laboratories have been added to the network, CAMRET- Sokoto, ABU- Zaria and 54 gene (Lagos and Ogun States)**
- Developed case management indicator for SORMAS
- Deployed additional response commodities and supplies to all States
- Engaged with government agencies on integration of risk communication in the planned training for Primary Healthcare workers in the country
- Validation and activation of Cobas system at NCDC National Reference Laboratory for activation of throughput testing
- Deployment of Rapid Response Team (RRT) to support response in all states with confirmed case(s)  
Currently 30 RRTs deployed
- All education materials can be found via [www.covid19.ncdc.gov.ng](http://www.covid19.ncdc.gov.ng)
