RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Coordination of operational funding support for States**
- **Engaged the focal persons from Faith Based Health Services facilities on scaling up IPC programs**
- Disseminated Community Case Definition to States and partners
- Strategic real-time coordination with all State response teams
- Activated three new mobile laboratories to expand testing capacity in three States Kano, Ogun and Delta
- Conducted virtual training and provided for samples collection, handling, packaging, and transport in 30 States
- Developed jingles on the proper use of face masks in seven local languages
- Engaged healthcare professionals on the ease of lockdown
- All education materials can be found via www.covid19.ncdc.gov.ng
