- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the [management of dead bodies](#).
- For health centres managing cases, the following documents have been released- a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Ongoing engagement with private laboratories for improved quality of service**
- **Ongoing daily engagement of Infection Prevention and Control (IPC) focal persons across States**
- Supported the accreditation of three (3) new private laboratories for testing COVID-19 in the FCT – Everight, Wuse II; Clina Lancet, Maitama; and E Clinic, Wuse II
- Trained Community Health workers on Infection Prevention and Control (IPC) in Niger State
- Commenced airing of new jingles in collaboration with Federal Ministry Information
- All education materials can be found via www.covid19.ncdc.gov.ng
