RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 which is the highest emergency level in Nigeria. This is led by the NCDC in close coordination with the State Public Health Emergency Operations Centres and through the deployment of 62 Rapid Response Teams to states. Following de-escalation on April 23, 2022, the EOC now operates at response level 2. The current response activities include:

- Ongoing review of COVID-19 restrictions and travel protocol
